

Japanese/Spanish Camp Registration Form

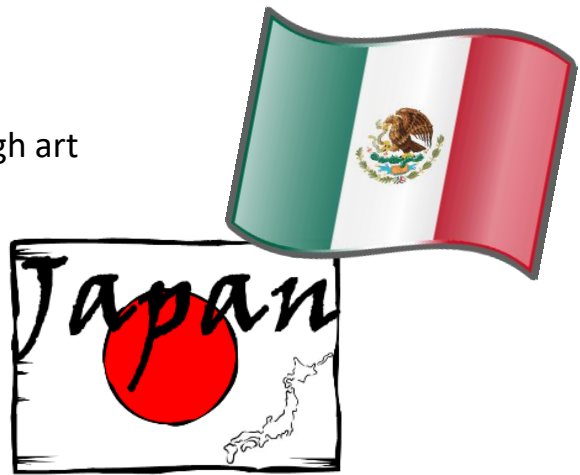

Welcome everyone!

Students can experience the culture of Japanese or Spanish through learning phrases, songs, experiencing new foods, and participating in exciting festivals. Students will also learn about the geography and people of the language in fun, exploration activities.

Fun fact: Studies show learning another language at a young age can increase the willingness to become fluent in the language as the child grows older.

In these camps students will:

- -create elements of the culture through art
- -participate in festivals
- -learn key phrases of the language
- -sing songs and prayers
- -try new foods
- -explore geography
